## Career Objective:

Passionate and dedicated recent graduate seeking an animation internship where I can showcase my existing industry knowledge while assisting artists on new and inspiring projects.

## Work Experience & Projects:

### Intern at Animation Libation Studios (2021-2022)

Animated 2D flash characters under quick deadlines while growing strong communication and team working skills along a team of 15+. Managed multiple character assets and maintained a highly organized file system.

### AICC Representative for WIA at CSUF (2019-2023)

Represented the organization Women in Animation @CSUF (WIA) for ASI and professional organizations. Presented informational material about the club, organized events and promotions for WIA and campus communities, as well as facilitated funding relations between club officers and accounting department.

### Webcomic "My Bloody Book Club" (2023)

Co-created and produced a webcomic posted under Webtoon Canvas. Responsibilities include scripting, thumbnailing, coloring and editing for episodes posted on a bi-weekly schedule and managing social media for promotions and behind the scene posts.

### Server at Veronese 419 Café (2019-2021)

Attended customers in a fast-paced, high pressure environment. Adapted to cafe work culture and grew customer satisfaction.

### Artist Booth at TitanCon (2019)

Designed and sold merchandise while professionally communicated with attendees, booth runners, and committee members.

### 24 Hour Animation Challenge (2018-2022)

Led teams of artists to complete 5 individual 30 second animations in under 24 hours! Gained valuable time management and leadership experience.
